Chunky Tomato Soup

This classic soup is so easy to make at home and tastes great.

Serves 4

- 1 onion
- 4 cloves of garlic
- 6 tomatoes
- ¼ tsp dried mixed herbs
- 1 tin of chopped tomatoes
- ½ teaspoon sugar
- Salt and pepper
- Oil

Chop the onion and garlic as finely as you can.

Fry on a low heat with a little bit of oil until softened, about 5 minutes.

Chop the tomatoes into small, bitesize pieces and add to the onions and fry for 5 more minutes.

Add the tin of tomatoes, 150ml water, the sugar and ½ teaspoon salt.

Bring to the boil. Turn down a little and simmer for 20 minutes.

Check salt and pepper and serve with bread or a cheese scone.
